Question

Key: 36

Type: inferential

What will the team do with the removed audio processing goal?

Answer

They will mention it as future work in the conclusion of their final report, explaining they didn't have enough time.

Evidence Nodes

Nodes: 137, 140, 149, 152, 153

Reasoning

Speaker 2 suggests 'a good future work thing isn't it stick in the conclusion of the final report' and the team agrees to put it under 'changes since the initial specification'.
